Patio Cover

Santa Fe Pavilion

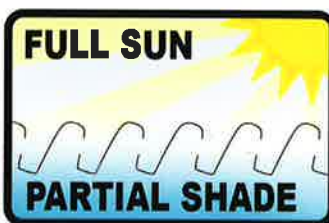

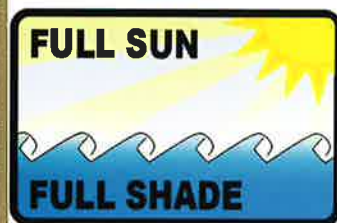

St Thomas Pavilion

A photograph of a covered patio area. The patio has a white ceiling and large retractable screens that are currently pulled back, revealing a lush green lawn and trees outside. The patio is furnished with three dark wood armchairs with light-colored striped cushions and floral patterned pillows. There are two small square tables between the chairs. A plaid rug is partially visible in the foreground. The overall scene is bright and sunny, suggesting a pleasant outdoor environment.

Patio Covers w/ Large Retractable Screens
